

Disaster Council

The Disaster Council is the policy making body of the Torrance Emergency Services Program. Meetings are held on the fourth Wednesday of each month to establish program policies and priorities, and to review and approve plans and procedures for emergency preparedness and response. Disaster Council meetings provide for interaction between the public and private sectors of the City. All meetings are open to the public. Those who wish to speak on any matter on the agenda are asked to complete a "Speaker Information" card (available at the meeting) and relay it to the staff before leaving the meeting.

Staff reports are available for review at the City Clerk's Office. Direct any other questions or concerns to Andrew Pachon, Emergency Services Coordinator at 310.618.5725. Agendas and Minutes are posted on the City of Torrance Home Page www.torrnet.com.

In compliance with the Americans with Disabilities Act, if special assistance is needed to participate in this meeting, please call 310.618.5725. Notification 48 hours prior to the meeting will enable the City to make reasonable arrangements to ensure accessibility to the meeting. [28CFR 35.102-104 ADA Title II]
